“LIFE IS FAR TOO SHORT TO BE JUST A PROFESSIONAL SPEAKER!”

George Walther, CSP, CPAE, Speakers Hall of Fame

Join the Speakers Association of Hawai'i on Wednesday, October 26th and meet professional speaker and author, **GEORGE WALTHER**. Learn how to put passion in your presentations from one of the top masters in international speaking in what will be an exceptionally riveting and entertaining presentation.

With more than three decades of global experience George's credentials establish him as a recognized business authority and author of numerous books, CDs, and DVDs published worldwide, in multiple languages, related to sales, service, and communication. George says “Mere professionalism won't create change for our audiences. Inspiration and impact result from *Passion...in Promotion, Planning and Presentation.*”

Featured on CNN and the BBC, and profiled in USA Today, George has taken the “international” aspect of our profession to extremes, having traveled in 104 countries, thus qualifying for membership in the *Travelers Century Club*. Sharing an amazing array of bizarre and hilarious adventures from living in 104 countries, George will translate his wisdom and knowledge into practical lessons for life and business. He and his wife move to, and live in, a new country each year. This year, we are lucky they are living in our paradise. Last year it was the French Riviera; next year will be Barcelona. After that, who knows?

Join us for an extraordinary evening with **GEORGE WALTHER**.

Come and share you aloha with this remarkable mentor to all speakers.
